

# Welcome to Lära svenska!

Lära svenska is a free website on the internet, where you can teach yourself Swedish. There are exercises and videos. You can use a computer, a tablet or a mobile phone. If you do not have access to a mobile phone or a computer, you can use a computer at the library.

Go to your web browser and type "www.larasvenska.se" in the search box.

## Start page

When you come to Lära svenska, you can choose among four different pages. All four contain materials for studying Swedish, but in different ways and at different levels.

### Start learning Swedish

» If you are a beginner and want to get started.

On the "Start learning Swedish", you will learn basic Swedish words and phrases.

### Continue learning Swedish

» If you want to practise more and improve.

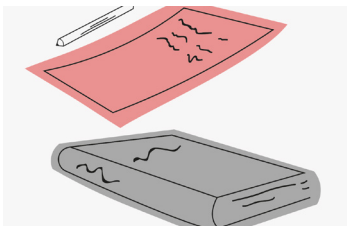

On the "Continue learning Swedish" page, you will find exercises and videos to help you practise more difficult words and sentences in Swedish.

### Practise Swedish with others

» Find people to practise Swedish with where you live or using your smartphone.

On the "Practise Swedish with others" page, there are links to other apps/websites you can use to make contact with Swedish-speaking people who can help you learn Swedish.

### Glossaries and translation

» Dictionaries and glossaries for different situations.

On the "Glossaries and translation" page, you will find links to pages where you can look up words and sentences. You will also find glossaries of words that can be useful in everyday life.

## Using "Lära svenska"

- » You can do the exercises and watch the videos in Lära svenska in any order you want.
- » When you watch a video, you can pause and rewind whenever you want to repeat what is said in the video.
- » There are links to other websites in Lära svenska. If you click on one of these links, you will leave Lära svenska.

## Lära svenska is part of the [www.informationsverige.se](http://www.informationsverige.se) website

[www.informationsverige.se](http://www.informationsverige.se) is run by government agencies, is available in ten languages and is completely free. The website gathers all the information you need to know as a newcomer to Sweden. For example, you can find out how housing, healthcare and education work, or how you can look for a job or get more education or training.
